Work Tasks

What tasks would you like to be doing that you are not currently doing?

What **emotions** are you feeling?

--

What environment are you in? Is it free-flowing? Is it a structured room?

What types of things are you doing?

What type of people do you want in your room? Who will you let in?

What type of people are you working with? How do you feel around them? How do they make you feel?

How much money are you making?

What is your work schedule like? How many hours a week are you working?

How often are you traveling for work?

Are you client-facing or working internally?

Are you on a computer mainly or in meetings and labs?

Where do you see yourself in a year? In the same position? Growing?
